PROJECT REPORT: AROGYA RASOI SUPPORT PROGRAM

(Patient Meal Support Initiative)

Organized by:

Elite Defender Social Development and Education Foundation

Location:

Dr. Radhakrishnan Government Medical College and Hospital, Hamirpur, Himachal Pradesh

Implemented in Coordination with:

Dharmarth Rogi Sewa Sansthan, Hamirpur

Date of Activity:

12 March 2026

1. Introduction- The Arogya Rasoi Support Program was organized by Elite Defender Social Development and Education Foundation as part of its commitment to social welfare and community service. The initiative aimed to support the charitable patient meal service operating at Dr. Radhakrishnan Government Medical College and Hospital, Hamirpur. Recognizing the importance of proper nutrition for patients undergoing medical treatment, the foundation contributed essential food supplies to assist the hospital kitchen in preparing meals for admitted patients.

2. Objectives of the Activity- The primary objectives of the program were:

- To support hospital food services for patients.
- To contribute towards the welfare and recovery of patients by ensuring availability of nutritious meals.
- To promote community participation in healthcare support initiatives.

3. Beneficiaries- The donated food supplies were utilized in the preparation of meals for patients admitted in the hospital. Based on standard meal consumption estimates in hospital kitchens, the donated ration is sufficient to support approximately:

70 – 100 patients for one full day meal service (Breakfast, Lunch, and Dinner).

Thus, the initiative directly contributed to the welfare and nutrition of hospitalized patients receiving treatment at the medical college hospital.

4. Impact of the Initiative- The Arogya Rasoi Support Program reflects a collaborative effort between civil society and healthcare institutions to support patients in need. The initiative helped strengthen community engagement in healthcare support and provided assistance to the hospital's charitable meal service system.

5. Conclusion- Through this initiative, Elite Defender Social Development and Education Foundation extended its support to the patient meal service at Dr. Radhakrishnan Government Medical College and Hospital, Hamirpur. The organization remains committed to continuing similar humanitarian activities in the future to serve the community and support vulnerable individuals.
